

Our vision:

To consolidate John Weaver's position as the premier construction company of choice and become recognised as the No. 1 Conservation Company in South Wales

Our mission:

"To create sustainable quality building and conservation projects for our future generations"

Our guiding principles are:

W

Weavers striving to meet and exceed our client's expectations

E

Ensuring effective Leadership, Management and Collaboration proves successful

A

Applying professionalism, integrity, honesty and fairness in everything that we do

V

Valuing our staff and employees to create an enjoyable work environment which allows personal fulfilment that leads to a loyal and productive workforce

E

Educating and training of all our workforce to suit the industry demands

R

Reducing our carbon footprint by deploying best practise environmental management

S

Safely protect our customers, ourselves and each other by delivering a safety first cultural environment

"Where Quality Doesn't Cost, it Pays"
